

## **Findern Parish Council**

### **Freedom of Information Policy**

#### **1.0 Introduction:**

1.1 Under the Freedom of Information Act, Findern Parish Council has a duty to adopt and maintain a Publication Scheme describing:

- The classes of information it publishes
- How and where such information is published (e.g. website, paper copy, etc.) and
- Whether or not a charge is made for such information

1.2 The purpose of the Findern Parish Council Publication Scheme is to let everyone know what information will be automatically or routinely published by Findern Parish Council and to ensure that a significant amount of information is available to the public, without the need for a specific request to be made. Other information is of course available from the Findern Parish Council by individual request, under the Freedom of Information Act 2000 and the Data Protection Act 1998, however as many requests are for routine information, this Policy should assist the public in quickly and efficiently locating what they require.

1.3 If there is any information required that does not appear in our Publication Scheme or you have any comments or suggestions on how it can be improved, please contact:

Mrs Clare Orme  
Clerk to Findern Parish Council

#### **2.0 Obtaining Information**

2.1 Much of the information listed in our Publication Scheme is supplied free of charge and can be downloaded from our website at [www.findernvillage.org](http://www.findernvillage.org) and where this is the case, the appropriate link is shown. Where information is available only in paper format, this is stated within our Scheme and can be viewed by appointment with the Findern Parish Council Clerk.

#### **3.0 Information not contained within the scheme and Exemptions**

3.1 Although the Freedom of Information Act 2000 creates a general right of access to information, it also sets out information that we do not have to make available for specific reasons, called exemptions. This is information that, if published, might prejudice the health, safety or security of Findern Parish Council, our staff, systems, services or property.

3.2 If information is requested but is covered by an exemption the Clerk to Findern Parish Council will tell the applicant in writing why Findern Parish Council has turned down the request, quoting any relevant exemptions.

3.3 If the information requested is not disclosed, the applicant can ask the Information Commissioner to review Findern Parish Council's decision. The Information Commissioner's Office is the Government department that oversees and enforces FOI. They can be contacted by the following link: [www.ico.gov.uk/](http://www.ico.gov.uk/)

#### **4.0 Data Protection**

4.1 A great deal of the information that Findern Parish Council holds is personal and private to Individuals. However, the Freedom of Information Act, will not make public Private and Confidential information. Under the Data Protection Act 1998, individuals have the right to see any information we hold about them. However, the right is subject to exemptions which will affect whether information is provided and requests will be dealt with by Findern Parish Council on a case by case basis.

4.2 Please send any data protection requests, providing as much detail as possible about the information required to:
